

Musicians

Organist, Choir and Music Directors of St. Luke's

There are far more musicians attached to St. Luke's than the individual's hired to lead the choir and play the organ. We hope to eventually add names of those who sang, led youth choirs, or played in the St. Luke's orchestra. If you sang or played at some point in the past, please let the church office know and ask them to put a note in the History box with your name, years of musical service, and the name of the performance group.
